Home Reading

Here is a fun way to track reading in French. You can track your reading of the take-home books we make in class, or any other French books you have. This is for tracking student-read books.

Each book should be read at least 3 times in order to improve fluency and familiarity with new vocabulary. Please return the books for exchange at your discretion. I am not able to exchange books every day but will do so when I can throughout the week.

Please keep the books and the reading log in the zioloc bag for transport between home and school.

The more children read,
the better they become at reading.
It's as simple as that.

Text to speech website. Type in a word or passage and hear it read in French. Be sure to select 'French' under the language menu first.
