

Students print their name and draw a picture of themselves. My teaching partner added a small photograph of each child to each page, a brilliant idea.

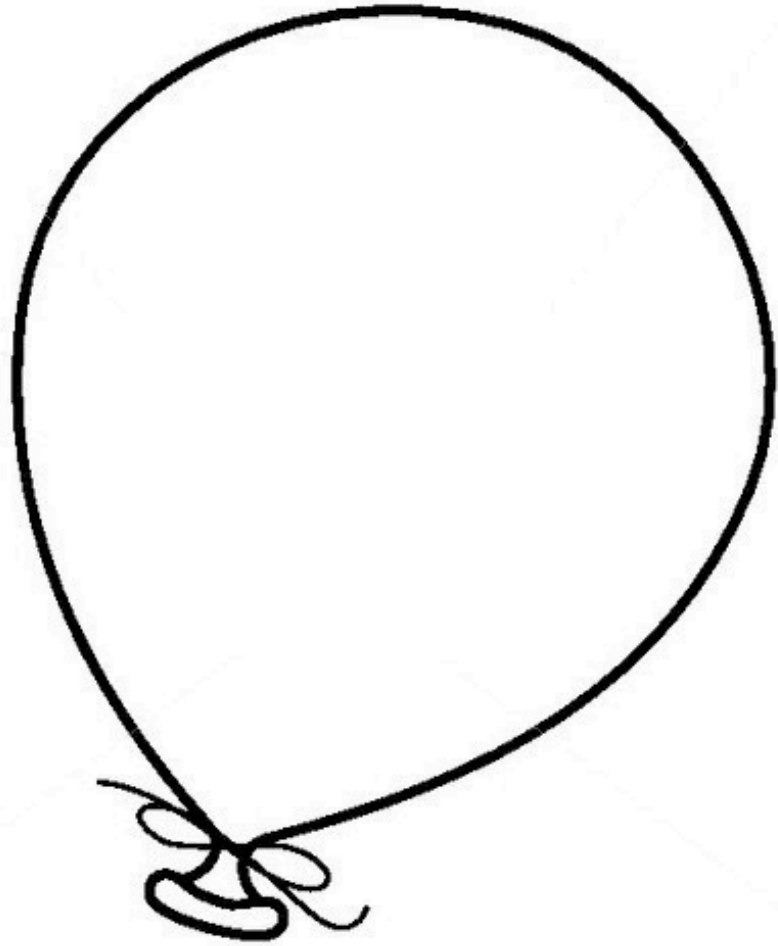

The drawing can be used for Brigance assessment.

Je m'appelle

.

Students print their favourite colour and colour the balloon. We glued coloured yarn on for the string as well.

J'aime le _____ .

octobre

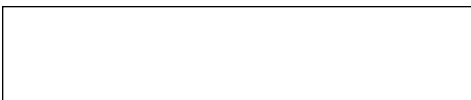

The theme in kindergarten is dinosaurs so
students add their name and draw a dinosaur.

Je suis un

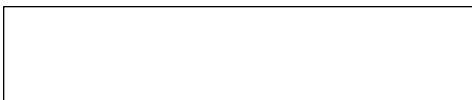

o-saure.

novembre

À Noël j'aime

décembre

We completed this pages with out learning buddies. We added our names to this one.

Voici

et

dans la neige.

janvier

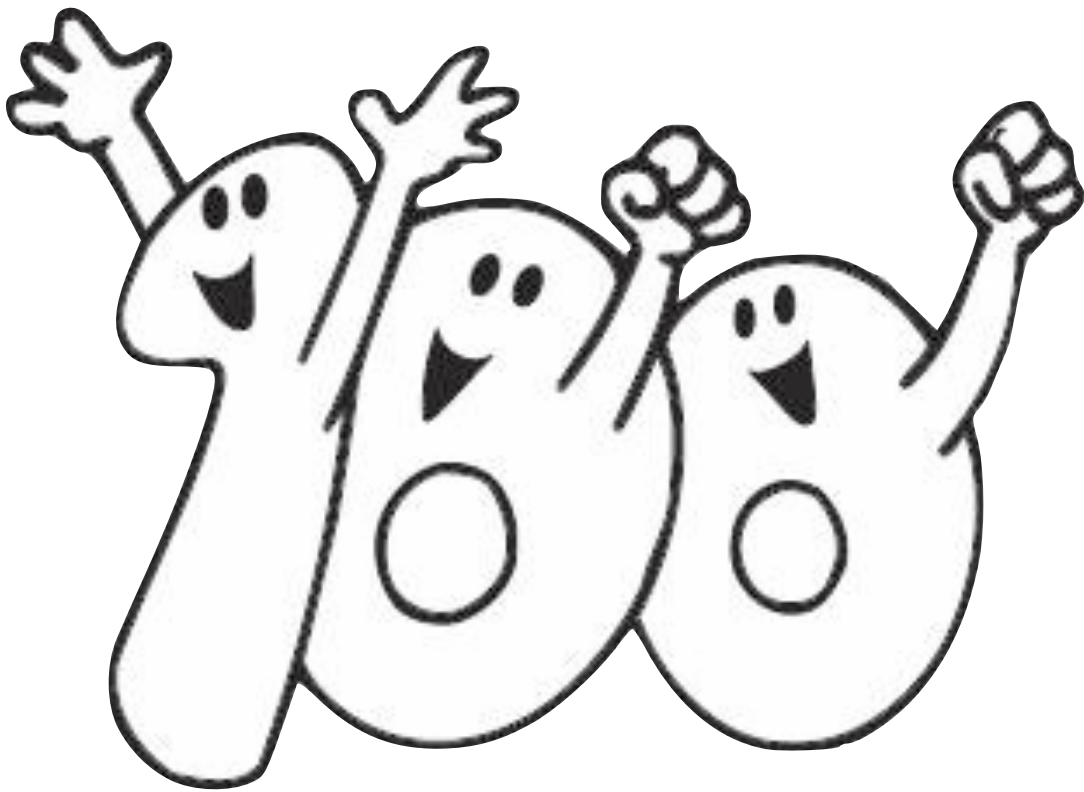

Out theme in kindergarten in February is bears.
students add the colour of their favourite type of
bear.

J'aime les ours _____ .

Hundred day usually falls in February or March. I made up a book about when 100 is a lot and when it is not. We came up with examples also. Then students created their own page.

Cent,
pas beaucoup
ou
beaucoup trop?

Cent _____ ne sont pas beaucoup.

Cent _____ sont beaucoup trop!

Our theme in kindergarten in March is occupations and community helpers. There are two versions. The first is very simple and the students draw what they would like to be when they grow up. The sentence is simply, C'est un astronaut for example.

The second version uses a more complex sentence.

C'est un _____ .

mars

Quand je serai grand
j'aimerais être un

Voici cent _____ .
