DIRECTIONS:

1. Body: Large Black Square

- Cut off the corners and make a circle

2. Head: White Square

- Cut off the corners and make a circle
- Glue the head in the middle of the lower part of the body

3. Ears: White Rectangle

- Cut the rectangle on a diagonal line from corner to corner to make two triangles for the ears
- Put a dot of glue on one point of one of the ears; lift the head and glue the ear under the head; place it on one side near the top of the head
- Glue the other ear on the other side of the head in the same way

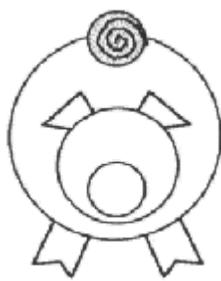

4. Legs: Black Rectangle

- Fold the rectangle
- Hold the folded rectangle in a vertical position with the fold at the top; cut an upside down "V" at the bottom of the folded rectangle
- Open and cut apart on the fold line

- Put a dot of glue at the straight edge of each leg; the legs under the body

dot of glue at the straight edge of each leg; the legs under the body

5. Snout: Pink Square

- Cut off the corners and make a circle
- Glue the snout to the middle of face

circle

the lower part of the pig's

6.

Name

Tail: Small Black Square

- Cut off the corners and make a circle
- Beginning on the outside edge of the circle, make a coil by cutting in a circle to the middle

- Put a dot of glue at the top of the body, and glue the tail on the body so part of it is off of the body

7. Nostrils: Black Rectangle

- Fold the rectangle in half; open and cut on the fold line to make the two rectangles; lay one rectangle down and save it for the eyes
- Fold the other rectangle
- Cut off the corners and round to make two circles for the nostrils
- Glue the nostrils to the bottom part of the snout

8. Eyes: Black Rectangle

- Fold the rectangle
- Cut off the corners and round to make two ovals
- glue the eyes to the face above the snout

9. Name: Yellow Crayon

- Turn the pig over and write your name on the back
